HOW RICHMOND WILL LOOK WITH THE WHITE WAY TURNED ON AT NIGHT

The campaign for the White Way in Richmond begins today and will continue during the remainder of the week.

The citizens of Richmond must raise right at \$7,500 to defray the cost of the standards. The city bears the extra expense of the lighting current and the Kentucky Utilities Company does the

work of installation.

Messrs. L. W. McLellan and A. E. Suker, lighting experts of the Kentucky Utilities Company, arrived in town this morning, and with a committee of business men will call upon all citizens and present the matter before them.

A sample of the lighting standards, which it is proposed to erect

in Richmond, has been placed in front of the office of the Kentucky Utilities Company, on Second street. The above cut shows a street lighted up with its White Way at night, and is a fair exhibit of the appearance which may be expected of Richmond's main thoroughfare if the White Way is installed.

VIOLETTE ILL; CARPENTER TALKS

Owing to the temporary illness of Dr. E. E. Violette, the services at the Christian church, last night, were in charge of the pastor, Dr. H. W. Carpenter. He made a strong plea for the recognition of Christ in the home and institutional life. His message was heart stirring and heart searching.

Dr. Carpenter spoke of the mutual disappointment, because Dr. Violette could not be present; but at the close of the sermon his audience felt that it was good to have been there. Dr. Violette expects to be in the pulpit tonight, and will have as his subject, "The Man who forgot God."

Big Crowd At Minstrel

Charley Gano is the piece de resistance of Coburn's Minstrels which showed at the opera house Tuesday night. Without this veteran fun maker the show would lose its chief joy this season. The new first part is very tuneful and colorful, even if some of the jokes are wearing beards. There are several good voices and Eddie Horan is some dancer. As is usual with the old and popular favorite, Coburn, he packed the opera house to the limit.

SOME STEEL WORKERS MAKE \$25 A DAY

Says Gary, Steel Corporation Head, Who Tells Senate Union Leaders Forced Men to Strike

(By Associated Press)

Washington, Oct. 1.—Denying that the United States Steel Corporation had treated its men, as charged by union labor leaders, Judge Elbert Gary, chairman of the corporation, told the Senate committee investigating the steel strike today in his opinion there is no basic industry in the world which has paid larger wages than his company. Some of the statements about mistreatment, Gary said, were made on misinformation and "some absolutely without foundation, such as regarding the shooting of Miss Fannie Selis, at Breckinridge, Pa." During the labor troubles, the witness said, the steel corporation had to face these. Regarding wages, Gary said the present average wage of unskilled laborers of the corporation is \$5 a day and of skilled \$6.75. Superintendents were paid \$7,000 to \$8,000 a year. One roller made \$32 daily and several more than \$25 daily. He asserted there is no reason for this strike and said "the men didn't want it. They are satisfied with their jobs. It was the union leaders who wanted the strike."

If the unions control industries in United States, "it means decay and dropping of production" Judge Gary said. "It means this country cannot keep up in the race with the world. It means a condition that I fear England is in today." Reiterating that the "open shop" was the big issue in the present steel strike, Gary declared "it is the opinion of the world that open shops means more production, better methods and more prosperity and closed shops mean lower production and less prosperity." He asserted the steel workers' national committee started out to "get control of this industry and that means I think you know."

EVERETT WITT LEAVES SOUTHERN

Everett Witt has tendered his resignation as assistant cashier of the Southern National Bank. Mr. Witt is forced to take this step on account of his eyes, which have been troubling him for some time. He hopes to get into outdoor work, and that the trouble with his vision will be overcome. There are few more popular young men in the city than Mr. Witt, and it will be with general regret that the bank gives him up. Mr. Witt may go to western Kentucky and get into the oil game in Allen and Warren counties.

Mrs. D. W. Kennedy has been secured to take Mr. Witt's place in the bank, it is understood, and the officers are being congratulated upon securing her services. Mrs. Kennedy is one of the most efficient bank bookkeepers and tellers in this part of Kentucky.

Washington, Oct. 1.—After a restless night, President Wilson fell asleep. During the forenoon his condition was described at the White House as being as good as yesterday. "A set back is not indicated."

Both Sides Claiming

(By Associated Press)

Both sides in the steel strike today continued to make conflicting claims of progress. The Bethlehem Company asserted 83 per cent of its men are working, while labor leaders declared nearly 80 per cent of the men are out. No change is reported from the Pittsburgh and Chicago districts.

FRANK DAUGHERTY TO SPEAK MONDAY

Democratic Nominee For Attorney General To Be Here—Rice and Collins To Talk

The real facts about state conditions will be told in Richmond at the courthouse next Monday afternoon, courtday at 1:30 o'clock by Frank E. Daugherty, who is the democratic candidate for Attorney General.

A palpable effort at deception of the people seems to be the method by which republican candidates are hoping to fool the voters into electing them to state offices. Wherever possible and where the people are uninformed, the republican speakers seem to be stooping to anything in their efforts to gain votes to give them the offices. Mr. Daugherty, who will speak here Monday, is considered a splendid speaker, and is an able orator. He is thoroughly in touch with conditions, and will make an old-fashioned democratic speech.

Campaign Chairman Joe P. Chenault has arranged to have Tom Collins, democratic candidate for representative and Judge H. C. Rice, former representative make short addresses before Mr. Daugherty.

Voters from all over the county will be in town Monday and all are invited and urged to hear Judge Daugherty.

Judge Daugherty speaks at Berea Monday night, and arrangements are being made to have a good crowd hear him here.

ALL UNDER PEACE BONDS

Mrs. Tennessee Hoskins, Her Sons and Mrs. Annie Griffith

Annie Griffith was tried in the Madison county court Tuesday morning on a warrant charging her with assaulting her neighbor, Mrs. Tennessee Hoskins, with a deadly weapon, by pointing and drawing it upon Mrs. Hoskins, and fined \$50 and costs.

After the trial of Mrs. Griffiths upon her charge, Mrs. Tennessee Hoskins and her sons, John, Charles, Lawrence and Emory, were tried on the question of putting them on a peace bond. Judge Price declined to sit in the case, so Judge H. C. Rice was agreed upon as acting judge. Mrs. Griffith's complaint was that the Hoskins had threatened her. The whole thing seemed to be largely a "tempest in a teapot," but Judge Rice placed Mrs. Hoskins under \$200 bond; each boy under \$100 bond and Mrs. Griffith under \$200 also. It is now believed that these peace bonds will preserve the peace and quiet of the neighborhood in that section of Jack's Creek pike.

Suits In Circuit Court

The Madison National Bank filed suit in the Madison circuit court against D. M. Gott, J. M. Azbill and Jasper, for \$190, the amount of note alleged to have been given by the defendants to the bank. A. R. Burnam, Jr., is attorney for the bank.

S. A. D. Jones filed suit in circuit court against H. C. Jasper and O. J. Young, doing business as Young and Jasper for \$190, the amount of loans and advances of money alleged to have been made to the defendants.

Three Warrants Sworn Out

Upon complaint of John Wilson, three warrants were sworn out in the Madison county court against Ben Baker, charging him with breach of the peace, shooting upon a public highway, and threatening to do the claiming witness bodily harm. The court was asked to require the defendant to execute a bond to keep the peace. The men are neighbors and live near Berea.
